July 17 1967

W. E. Patterson
Boise-Cascade Corporation
La Grande, Oregon

Dear Mr. Patterson:

In checking our files we find that the agreements we sent you concerning the use of the sewer at the Elgin office and lunch room and the ambulance service to the plant here in Elgin have not been returned to us.

Would you please sign these agreements and return them to us?

Thank you for your cooperation..

Yours very truly,

Recorder
City of Elgin
